

West Shore Jr/Sr High School
Musical Theatre Department
Presents

Mary Poppins

Thursday October 22 – Sunday October 25

All students who participate in the production must pay the cast fee. This includes members of the **cast, crew & pit**. Please note that students who do not pay the cast fee will not be able to order tickets until the fee is paid. Monies collected for Cast Fees are used to build the set, make the costumes and rent the musical score. Brevard County **does not** provide any funds for the Theatre Department, so we are relying on the support of our cast, crew and pit.
