

WEST SHORE THEATRE ARTS

October 2015

Dear Parents and Cast of Mary Poppins,

First I want to apologize for any inconvenience the past couple of weeks. At the beginning of the schedule I didn't expect to have gall bladder surgery last week so things were thrown into a "tizzy".

Now – next week – October 10 the schedule will need to be changed due to a performance at the Viera School Board Offices that members of our HS troupe must perform in the morning. Originally the time was scheduled earlier so that it would not interfere with rehearsal time. Beyond our control things have changed so that NEXT WEEK REHEARSAL WILL BE 1:00 PM to 5:00 PM. We need to run the show next week so it is very important that everyone attends.

SHOES – MS GIRLS: black jazz shoe or boot. NO SNEAKERS black tights

If they were in Fiddler last year those boots are correct.

HS LADIES: black character shoes (tap shoes are needed only by those dancers who were told to have Dance shoes.) black tights

ALL BOYS: Black dance or dress shoe - NO SNEAKERS HS boys long black socks – no sports socks

MS Boys we will supply socks

Please refer to westshoretheatre.org for more information.

The show is app. 2.5 to 3 hours so if you are picking up students after shows please give time for students to hang up costumes and pick up trash in classroom (which are the classroom for science, band, and chorus). Please do not text to child to "hurry up" they will be out as soon as their jobs as finished after each show. Your cooperation is greatly appreciated.

Thank you for your patience

Maureen Fallon
